

How can I get involved?

Spreading Awareness

Help us elevate our organization's profile in Philadelphia and our impact on those experiencing homelessness by:

- Hosting a Zoom Lunch & Learn with a Bethesda Project board or staff member
- Encouraging employee participation in upcoming Bethesda Project virtual events and remote volunteer opportunities

Operations

Assisting Bethesda Project daily operations helps us offset costs so we can direct more money to programs and services. You can help by:

- Sponsoring a meal at one of our sites (reheatable or take-out)
- Donating operating or office supplies (specifically cleaning & PPE)
- Donating in-kind services in our administrative offices or locations

Fundraising

- Making a company grant, future event sponsorship, or other financial gift
- Promoting (and matching) employee giving to Bethesda Project
- Participating in a United Way workplace giving campaign
- Donating company sporting perks, such as suites, boxes, and game tickets for fundraising efforts
- Hold a virtual happy hour, interoffice virtual 5K, or other remote event with proceeds benefiting Bethesda Project

Volunteer Opportunities & Donations

Organizing service opportunities for your employees or providing incentives to volunteer can help Bethesda Project and provide a great opportunity for team building, even remotely!

- Becoming a Bethesda Project Pen Pal
- Organize office- or department-wide efforts such as:
 - Creating care packages or welcome kits for shelter guests
 - Coordinating a Giving Tree to sponsor a shelter or house at the holidays
 - Holding a toiletry, socks, underwear, coat, gift card, or canned food drive(s)
