

After the Party & Auction, how can I stay involved?

Spreading Awareness

Help us elevate our organization's profile in Philadelphia and our impact on those experiencing homelessness by:

- Hosting a Lunch & Learn with a Bethesda Project board or staff member
- Sharing upcoming Bethesda Project events and encouraging employee participation

Operations

Assisting Bethesda Project daily operations helps us offset costs so we can direct more money to programs and services. You can help by:

- Donating operating or office supplies
- Providing space for meetings and special events
- Donating in-kind services in our administrative offices or locations

Fundraising

- Making a company grant, future event sponsorship, or other financial gift
- Promoting (and matching) employee giving to Bethesda Project
- Participating in a United Way workplace giving campaign
- Donating company sporting perks, such as suites, boxes, and game tickets for fundraising efforts
- Hold a happy hour with proceeds benefiting Bethesda Project

Volunteer Opportunities & Donations

Organizing service opportunities for your employees or providing incentives to volunteer can help Bethesda Project and provide a great opportunity for team building!

- Organize office- or department-wide efforts such as:
 - Creating care packages or welcome kits for shelter guests
 - Coordinating a Giving Tree to sponsor a shelter or house at the holidays
 - Holding a toiletry, socks, underwear, coat, gift card, or canned food drive(s)
